How much MONEY do you spend on non-skid tapes, adhesives or salt solutions each year?

How much TIME do you spend in purchasing, application and maintenance?

What are your medical and legal RISKS in the event of a fall?

Handi-Treads™ ... a permanent solution for an ongoing problem.

Slipping hazards due to ice, water or sand present dangerous risks.

Traditional non-skid solutions are expensive and laborious to apply.

Ideal for:

Resorts / Hotels / Motels / Residential Properties
Municipalities / Public Attractions / Stadiums
Marinas / Beachfronts / Boardwalks / Industrial
Construction / Commercial / Retail Sites / Schools

Indoor/Outdoor

- Porches
- Stairs
- Decks
- Ramps
- Walkways

Install On:

Concrete • Wood • Aluminum • Masonry

Handi-Treads™ ... a cost and time-saving alternative.
