

PetSTEP[®]

International, Inc.

PO Box 700
Lake Bluff, IL 60044

(847) 996-0550 Fax: (847) 816-7689 www.petstep.com

Package Contents:

- 2 aluminum legs
- 8 fiddle screws
- 1 support bar that connects the two legs

Instructions for use:

1. Attach the legs to the underside of the ramp using 3 fiddle screws per leg, positioning the legs as shown.
2. Line support bar up to screw holes. Insert fiddle screws and tighten using hands only.
3. Place the ramp in your pool with the curved section on the coping or side of pool. (ramp may also be used over steps in the shallow end of your pool)
